## **ZT ELITE**

Stronger, smoother, more comfortable and more ergonomic without sacrificing an ounce of power, strength or performance – and the biggest engineering achievement wasn't how much we added and upgraded, but that we didn't add one bit to the price!

## **MZ MAGNUM**

The MZ Magnum is far more substantial in build quality than other mowers in this price range and you'll immediately appreciate the rock-solid, all-steel welded construction, powerful engine and 'too much fun to call it work' ride.

## **MAVERICK**

A mower in a class by itself, a real Maverick. The industry first commercial-grade mower with Integrated Drive System that features our patented EZ-Ride® System. The independent front and rear suspension glides over uneven terrain and puts you in the cockpit of a true Maverick.
