CARRYALL ALWAYS TOUGH, ALWAYS READY

THE CARRYALL DIFFERENCE

- 4-year battery, 3-year powertrain, 2-year bumper-to-bumper warranties on most models
- VersAttach™ track-based attachment system increases cargo space and protects equipment
- Electronic Fuel Injection engines with quieted metal components for a powerful, yet smooth ride
- Rustproof aluminum frame and bed box resist corrosion
- Industry leading ability to Customize to your specific needs
- Some models now available in Lithium

With aluminum frames and retractable chargers, our vehicles cost pennies a day to operate, while doing the work of a small truck.
