### TRANSMISSION POWER SERVICE

We will install safe and effective cleaner to remove harmful varnish and sludge from the transmission valve body torque converter, and lines. We will flush complete transmission fluid. Includes most cars and light trucks. Recommended every 30,000 miles. Most cars and light trucks.

### HEATING & COOLING SYSTEM SERVICE

We will flush and complete cleaning of cooling system, replace coolant, check hoses, clean exterior of radiator and condenser. Includes up to 2 gallons coolant. 100,000 mile coolant extra. Includes most cars and light trucks. Recommended every 30,000 miles. Most cars and light trucks.

### DRIVE AXLE SERVICE

Change fluid at rear differential/transfer case/manual transmission/front differential. Recommended every 30,000 miles for normal use. Recommended for severe duty and towing. Prevents expensive repairs.
